Our in-house leagues are playing groups (no pros or instruction) that meet once a week for match play. Singles leagues play a different person each week. Doubles leagues rotate opponents and partners each playing session. All rotations are scheduled by CRC and rotation cards are provided. Winners are determined by winning percentage of games won and lost. League winners receive a trophy at the end of the session.

League rules are as follows:

1. If for some reason you cannot attend your league, you are responsible for providing your own substitute. CRC will not make those arrangements. A list of qualified subs and their phone numbers will be passed out at your second meeting. Substitutes **MUST** be of the same skill level as the league in which they propose to play or have been rated by a pro.
2. A match consists of three sets with a 12 pt. tie-breaker at 6-6 in any set. On your scorecard, record the number of games won, then the number of games lost. (A match score of 6-2,6-1,6-4 would be recorded as 18-7). If time expires before you are finished, complete the game you're in at the buzzer and then stop.
3. Each match will be recorded on a percentage basis. We take the number of games won divided by the total number of games played. An 18-7 score is 72%. League winners will be decided by the highest winning percentage.
4. Balls can be picked up at the front desk and should be returned after the match. Also record your scores on the provided scorecard.
5. **THE SUBS SCORE WILL COUNT TOWARD YOUR PERCENTAGE.** The sub must circle the score. At the end of the session, your score will be deducted 1 percent for each time a sub played for you.
6. The Spring session begins the week of March 8 and ends May 30, 2010.
7. **Always GET A SUB if you can't be at the league. No one wants to come and not be able to play.**
